

Book now for Fab Science Fun this Half Term!

Join us for our February Half Term Workshops! They run from 10am to 3pm and are open to all children aged 5-12 years.

We provide all the fun stuff, just bring a packed lunch and clothes that you don't mind getting messy. Places are strictly limited & early booking is recommended.

ELECTRICKERY WORKSHOP

Investigate electricity, electrostatic charge and magnetism with a whole circuit of activities. Use weird and wonderful materials to test circuits, motors and static charge. Finally, have a hair-raising time with our Van der Graaff generator!
