Dear Parent/Carer,

RE: Sunscreen for children in HUB – afternoon sessions only

As a school we expect parents to apply sunscreen to their child before school. This should be effective for the school day. We do not have sunscreen in school to apply during the day except where a child has a medical condition. We also ask that children do not have sunscreen in their bags.

Children attending our HUB are likely to require a second application at 3:15pm.

The HUB will hold Nivea Sun 50+ Very High SPF15+4*+ sunscreen in school to apply to children attending the afternoon session. Please indicate below if you are happy for sunscreen to be applied to your child. If you would prefer that an alternative product is used you will need to provide us with it. If we are in any doubt your child will not be permitted to play outside in warmer weather.

This permission is for children attending the HUB ONLY.

The school does not hold sunscreen to be applied during the school day.
Child (name) …….. in (year and class)

☐ I give permission for sunscreen to be applied as required by HUB staff and am happy for sunscreen to be applied during the afternoon session ONLY.

☐ I give permission for sunscreen to be applied as required by HUB staff and will supply my own product.

☐ I do not give permission for HUB staff to apply sunscreen and understand that my child will remain inside during warmer weather.

Signed …….. Date ……
