

Garden Fields JMI School Sports Premium Plan 2017-18

Vision:

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Results from the National Child Measurement Programme in the summer term 2017 showed that 21.1 % of pupils in Year 6 were deemed obese or overweight compared with 34% nationally and 29% in Hertfordshire.

In 2017 Garden Fields achieved the **Gold School Games Kitemark** for the third year running.
