### Other information

Each week your child is encouraged (if they own one) to bring their telescope and we will see what we can see in the night sky (as long as conditions permit). If your child does not have a telescope, do not worry, they can use one of ours! Your child will also need to bring a pen for note taking and answering questions.

Please complete the permission slip and return to the School Office with payment in an envelope marked with your child's name and club name. **Spaces will be allocated on a first come first served basis.**
