

7 March 2019

Dear Parents and Carers,

Garden Fields is pleased to announce that we will be holding a **Sustainability week** after Easter. The week will run from **Wednesday 24th April – Tuesday 30th April**.

There will be some exciting workshops, guest speakers and special events that will take place across the week.

We will be running: – a walk to school day, a waste free lunch day, litter picks, junk modelling art projects, create your own recycled outfit competition, plants for classrooms initiative and more!

Your school needs you! If anyone can donate their time to help in class workshops or would be able to offer a session or workshop to a class or classes, please get in touch!

A highlight of the week will be a **fashion show** organised by one of our GFS parents, Eliza Lau-Johnson, featuring preloved children's clothes, modelled by Garden Fields students. The clothes and other pieces will be available for families to purchase after the show at a very affordable price! All proceeds will go to the Great Ormond Street charity.

This is where families of GFS can help. Over the next few weeks we are asking families to donate children's clothes towards the event. We will need lots of clothes and accessories in order to make this event happen. There is a box in the office foyer marked Twenty Outfits for you to put your donations in.

The deadline for donations is: Friday 15th March.

Please only donate clothes in **GOOD CONDITION**, washed and not too worn out, as there won't be time to wash and mend.

Some things to think about:

- Spring/Summer pieces
- Accessories, Bags and good condition shoes.
- XS or S Adult sizes are also good for some Y5/6 children

The fashion show will be based on an event put on by Eliza Lau-Johnston, a GFS parent, called Twenty Outfits. Here is a link to a short video of the event from last summer:
